Take Exit 5 on this road : 'Zandvoorde – Oostende Industrie – Oudenburg'

Exit 5 Zandvoorde – Oostende Industrie - Oudenburg

When leaving the A10 you arrive at a crossing : continue straight ahead, you enter the Stationsstraat.

Continue until the end of the Stationsstraat (canal) and turn left. At 500m, on your left side, you find the parking near our administrative building.

Visitors who need to enter the factory, have to obtain a day pass in the building just across the railroad-crossing in the Stationsstraat. With this permit you can enter through the barrier near the gatekeeper's desk at the entrance of the plant, a little further on your left..
